1959 Introductions

Flippancy (Branch) \$15.00

(Sib. of Yesteryear x Topflight)

This is an apricot self except for a fiery orange beard. It is a large flower with very heavy substance which produces strong standards and fluting of the falls. Semi-flaring form, an edging of fine lace, good branching and 8 buds make Flippancy the best in its class. Ht. 38". Sdlg. #5582.

Gay Coquette (Palmer) \$20.00

Just misses being a pink reverse bicolor. The flared, starched falls are almost white with just a hint of pink, the domed standards a delicate translucent pink. The flower is of medium size, frilly and laced with wide rounded falls. The substance is very heavy. Good stalk and branching. The name suggests its personality, dainty, perky and gay. Ht. 34". H.C. 1956.

Henry Shaw (Benson) \$20.00

(Cliffs of Dover x Marion Marlowe)

A heavily ruffled, perfectly proportioned, pure icy-white self with a snowy white beard. Flowers are enhanced with cool green tones. Standards are domed; falls wide and foliage is vigorous and blue-green. The ruffling and corrugation runs completely around the broad and heavily substantenced blossoms. Proving to be a superb breeder. Named in honor of the founder of the Missouri Botanical "Shaw's" Garden. M. 38". H.C. '58.

Imagination (Branch) \$15.00

((Mary Randall) x (New Horizon x
(Harriet Thoreau x Hall sdg.
#4539)))

This is a large, heavy-substanced, rosy-lilac self, well set off by a tangerine beard. Semi-flaring falls and firm rounded standards are lightly edged with lace. Hafts are wide and very clean. E. M. 30".

Jean Sibelius (Benson) \$20.00

((Spanish Peaks x Tosca) x Starlift)

Named for the Finnish composer, this bold, line-bred moderately ruffled steel-blue self is truly a magnificent Iris. Standards are domed; falls extremely smooth, wide, semi-flared and firmly trussed. Entire blossom glistens as though sprinkled with diamond dust. An excellent breeder. M. 36". H.C. '58.

Mary Pickford (Benson) \$20.00

((Minnie Colquitt x Rare Marble)
x (Port Wine x Belle Meade))

A medium large excellently branched and sturdy plicata in tones of white and royal purple. Standards are firm; falls are quite clean with half inch marginal trim of royal purple. M. 38". H.C. '57.

Sentimental Journey (Branch) \$15.00

((Helen McGregor x Cahokia) x
Angel Curls)

If you like soft, very ruffled, billowy light blue blooms you will like this one. It has the same form of strong standards and wide falls as Angel Curls but it is a much lighter color set off by a yellow beard tipped with white. It is heavily ruffled, excellently branched, carries 8-10 buds and terminal buds usually have four standards, falls and style arms. M. Ht. 34-38".

Sunswept (Palmer) \$20.00

Large, broad-petaled, heavily substandard yellow and white combination. The buds are yellow. The ruffled standards are pure white and the waved falls are also white with true medium yellow at the hafts, which are very clean and smooth. The yellow beard matches exactly. Form, branching and vigor are good. Excellent growth habits. Ht. 37". H.C. 1957.
